The Kalakaua, on her last voyage over, when seven days out from this port experienced a continuous gale and heavy sea, which lasted six days, during which the deck-load was washed away, and two men were jammed, one of whom named Jose Code, died five days after, from the effects of injuries received.

2810 packages sugar came to hand this morning.

That hole in Adam's Lane, to which we recently referred, has been filled up.

The copious rains which have almost continuously fallen on this Island during the past six months, by creating an abundance of grass, ought to make beef and milk plenty and therefore cheap—but it don't seem to work that way.
